

SUMMER 2024 IN REVIEW

TRG Youth Connections

In summer 2024, Indy Summer Learning Labs (ISLL) celebrated its fourth year and served more students than ever before. Of the 5,300 Marion County students enrolled at one of ISLL's 52 sites, 93% identified as students of color, 71% qualified for free or reduced lunch, and 22% were English Language Learners.
